

To All Customers

## Notification regarding Production Discontinuation of Coil Unit Parts with Super Magnet (3NC0T0 (SC-N1/SE) to 3NC2H0(SC-N3/SE) Type Magnetic Contactors)

We would like to thank you for your continued patronage of Fuji products.

We are writing to announce the production discontinuation of some of our products.

Details are described below. Please review the following information and take appropriate actions.

Please also inform all related sections of your company of this discontinuation.

|                                    |  |
|------------------------------------|--|
| Product name                       | Magnetic contactor coil units (with super magnet)  |
| Series name                        | NEO Series   |
| Types                              | <p>1)SZ-GS/N1 □V □: 24, 48, 100, 200 (for 3NC0T0#22/SE(SC-N1/SE), 3NC1Q0#22/SE(SC-N2/SE)type magnetic contactors)</p> <p>2)SZ-GS/N2S□V □: 24, 48, 100, 200 (for 3NC2F0#22/SE(SC-N2S/SE),3NC2H0#22/SE(SC-N3/SE)type magnetic contactors)</p> <p>*The above are the <u>coil unit parts</u> listed in the magnetic starter technical data (62C4-J-0057) parts list.</p> |
| Reason for discontinuation         | Maintenance of rational and stable supply has become difficult due to a drop in demand.  |
| Alternative models                 | There are no alternative Fuji products available.  |
| Date of production discontinuation | End of December 2023   |
| Attachments                        | None   |
| Last order date                    | End of October 2023  |
| Maintenance parts                  | There are no maintenance parts for coil units.   |
| Others                             | We will continue to offer 3NC0T0#22/SE(SC-N1/SE) to 3NC2H0#22/SE(SC-N3/SE) type magnetic contactors.   |
