& Systems Co., Ltd.

## Notification regarding Production Discontinuation of Some New SC and NEO SC Series Magnetic Contactors and Magnetic Starters with Case Covers

To our valued customers:

We would like to thank you for your continued patronage of Fuji products.

We are writing to announce the production discontinuation of some of our products.

Details are described below. Please review the following information and take appropriate actions.

Please also inform all related sections of your company of this production discontinuation.

Product name	Magnetic contactors and magnetic starters
Series name	New SC Series, NEO SC Series
Types	<p>1) Push button magnetic starters: SW-N1PB to N10PB</p> <p>2) Dust-tight/light-corrosion resistant type starters: SW-N1LG to N10LG</p> <p>3) Magnetic starters (with case cover): SW-03C1 to 05C1, SW-03C4 to 5-1C4</p> <p style="text-align: center;">*C1 corresponds to the SW-5-1C case cover and C4 to special products that use a steel case cover.</p> <p>All products (including applied products) that begin with the above product codes in 1) to 3) are applicable, as well as magnetic contactors using the same case cover (types beginning with SC-).</p>
Reason for production discontinuation	Due to decreasing demand, it has become difficult to provide a reasonable and stable supply.
Replacement models	<p>1) and 2): There are no alternative Fuji products.</p> <p>3): Standard type magnetic starter (with case cover): SW-03C to 5-1C</p>
Date of production discontinuation	End of August 2023
Attachments	None
Last order date	End of May 2023
Maintenance parts	There are no maintenance parts.
Others	None
